PRESS RELEASE

December 06, 2013

FOR IMMEDIATE RELEASE

Protranser International Logistics Co., Ltd., China joins Global Project Logistics Network (GPLN)

Protranser is an International freight forwarding company and was established in 2005 in Shanghai. Protranser has several offices in China with over 100 employees. Protranser specializes on project logistics services although they offer general air- and sea freight services as well. Protranser is handling a wide scope of projects for various industries and is moving freight through all ports in China.

For those interested to see some of Protranser' s project moves please go to their album on the GPLN Facebook page:
