FOR IMMEDIATE RELEASE

Ginter Logistics Service China joins Global Project Logistics Network (GPLN)

Ginter Logistics Service Co., Ltd. (GLS) has joined GPLN with their Beijing & Tianjin offices. Besides their head office in Beijing and branch office in Tianjin GLS is currently operating 6 other offices in Chongqing, Dalian, Guangzhou, Qingdao, Shanghai and Shenzhen with around 300 employees, whereof 25 persons are based in their project department in Beijing. New GPLN member GLS is a main logistics provider for CPP Material & Equipment Corporation (CPPMEC), a major procurement company which more than 400 production plants, having undertaken more than 70 domestic and international pipeline projects and more than 500 storage tanks construction projects. GPLN member GLS has also a cooperation with the China Certification & Inspection Group (CCIC) for special requirements of high-value goods in the logistics industry.

If you are interested to see some of Ginter Logistic's moves please go to their album on the GPLN Facebook page:
