**FOR IMMEDIATE RELEASE**

**RRL Logistics Europe join Global Project Logistics Network (GPLN)**

RRL Logistics Europe (Rail & Road Logistics) becomes the latest GPLN member with its offices in Baku/Azerbaijan, Almaty/Kazakhstan, Moscow/Russia and Tashkent/Uzbekistan, subsidiaries of RRL Logistics Holding GmbH, a well-known company with headquarters in Germany. RRL Logistics specializes in the transportation of oversized and heavy-weight industrial equipment, machinery and project cargo by various modes of transport from all over the world (mainly Western Europe, North- and South America, South East Asia) to Russia and CIS countries. New GPLN member RRL Logistics has handled many projects in the past, such as asphalt- gas/oil processing- and mining plants, construction machines, mining crushers, mining excavators, tunnel boring machines and equipment for various industries, just to name a few.

For those interested to see some of RRL Logistics' moves please go to their album on the GPLN Facebook page:
