**FOR IMMEDIATE RELEASE**

**Tecniproject from Chile joins Global Project Logistics Network (GPLN)**

Tecniproject S.A. from Chile joins Global Project Logistics Network (GPLN). Tecniproject has its head office in Santiago de Chile and two branch offices in Antofagasta and Concepcion. New GPLN member Tecniproject is specialized in project cargo and handles heavy loads and oversized transportation to very distant and remote locations, as well as the chartering of vessels, aircrafts etc., besides regular freight forwarding services by land, ocean and air. Their trucking company, Tecni-transport S.A., provides a fleet of hydraulic trucks and trailers. Tecniproject is certified by OHSAS 18001 Health and Safety Management and fits well into GPLN's project network with 200 quality members.

You can see details of some of their project moves on following link:
