FOR IMMEDIATE RELEASE

360 Logistics from Australia joins Global Project Logistics Network (GPLN)

360 Logistics Pty. Ltd., a GPLN member from Perth in Western Australia, has its own project department providing logistics and niche project services and solutions to the resources and construction sectors around Australia and the greater South East Asia region. New GPLN project forwarder 360 Logistics handled various big projects during the past few years in the mining, gas, energy and construction industries, besides shipments of various housing units and domestic and international mobilization / demobilization projects.

To see some of 360 Logistics' moves please go to their album on the GPLN Facebook page:
