PRESS RELEASE

July 17, 2015

FOR IMMEDIATE RELEASE

GPLN member MFC Transport from India handles a combined weight of 445 tons

MFC Transport Pvt. Ltd., a GPLN member from India, handled a domestic multi-modal transport from Bharuch, a city at the mouth of the river Narmada in Gujarat, to the Jamnagar crude oil refinery, owned by Reliance Industries in India.

This project move was secured in competitive bidding. Reliance Industries conducted a thorough due diligence and determined MFC Transport had the capability, experience and technical expertise to execute the work.

The cargo consisted of a 283-ton- methanol collection drum that measured 29.86 meters long, 8.55 meters wide and 9.65 meters high and a 162-ton cracked gas dryer with dimensions of 20 meters long, 7.1 meters wide and 7.6 meters high. GPLN project forwarder MCF Transport moved the cargo by barge and by road to the entire satisfaction of their customer.

To see some of MFC Transport moves please go to their album on the GPLN Facebook page:
