FOR IMMEDIATE RELEASE

GPLN Announces 2016 Annual General Meeting Venue

Next year's GPLN Annual General Meeting will run from 21st to 23rd May 2016. The dates have been chosen next to the Breakbulk Europe Exhibition in Antwerp (25th to 26th May) so that those members who are also visiting this exhibition can conveniently combine both events.

GPLN has selected the renowned Marriott Hotel Grand Place in the heart of downtown Brussels as the venue and will offer again a Heavy Lift and Transport seminar on 24th May, the day after the AGM concludes.

After the huge success of this year's meeting in Bangkok with over 170 delegates from all over the globe, GPLN is looking forward to yet another successful networking event with even more attendees which will benefit greatly their highly skilled project forwarders.

All relevant details for the 2016 AGM are now available on GPLN's dedicated website:
