

ADVERTISEMENT PROMOTION 2025

The GPLN Newsletter is the official voice of the Global Project Logistics Network (GPLN), which is the most dynamic project logistics specialist group in the world.

The GPLN Newsletter covers topics from individual heavy lifts and out of gauge cargoes to logistics for complete turnkey projects. The GPLN Newsletter is targeting both the logistics provider as well as the consumer of the logistics services.

The GPLN Newsletter is available on the GPLN website and distributed by electronic mail to over 350 GPLN members offices, as well as around 110,000 companies all over the globe.

TARGET READERSHIP

READERS BY LOCATION

READERS BY INDUSTRY

Over 50% of our readership falls to the industrial powerhouses in Asia and Europe.

The majority of our readers are company owners, CEO's, managing directors, logistics managers, procurement managers and commercial managers.

With the presence at large industrial exhibition and conferences (prior to Covid-19) the total target audience reaches 180,000. The majority of our readers come from logistics, construction/engineering and oil & gas, closely followed by those from the energy sector and from mining business.
